

## PROVIDING THE GIFT OF MOBILITY TO CHILDREN AROUND THE WORLD

Wheelchairs For Kids Australia was founded in 1998 to manufacture and distribute wheelchairs to mobility-impaired children in less fortunate communities around the world.

Since that time, we have donated over 66,000 all-terrain, fully adjustable wheelchairs to more than 80 countries. Our wheelchairs are manufactured to World Health Organisation (WHO) guidelines and bring the life-changing joy of mobility to children in countries where there is little or no support for people living with disabilities.

Every week our factory in Wangara buzzes with the energy of 250 dedicated volunteers, with hundreds more knitting, crocheting and sewing toys and rugs at home.

Join us and be part of a movement transforming lives, one wheelchair at a time.

## READY TO VOLUNTEER?

Wheelchairs For Kids Australia is a not-for-profit organisation that relies on donations along with community and corporate support. Alongside volunteering, our goal is to raise vital funds to make more wheelchairs. We generally negotiate a financial contribution from our corporate groups. Please reach out to discuss and book your volunteer session.

## MAKE A DIFFERENCE TOGETHER

Looking for a rewarding way to give back as a team? Join us at **Wheelchairs for Kids Australia**, where every hour of your time helps create life-changing mobility for children with disabilities.

During our unique volunteering sessions, we offer an opportunity for your team to work alongside our volunteers, the majority of whom are retirees in their 60s, 70s and 80s!

Together you will work on various tasks across the factory floor where you will help assemble all the components that make a complete child's wheelchair.

**It's a fun, satisfying and insightful way to spend time together away from the office!**

## WHY VOLUNTEER WITH WHEELCHAIRS FOR KIDS?

### A Meaningful Day

See immediate results as you help assemble our locally designed wheelchairs. Staff will quickly learn to use our simple machinery and there are varying tasks across the factory to suit different abilities.

### Team Building

Working together fosters collaboration and camaraderie, helping to build team spirit and allowing people to get to know each other better in a relaxed environment.

### Give Locally, Impact Globally

When you volunteer with Wheelchairs For Kids, your time supports our local operations while bringing hope and mobility to children living with disability worldwide.

### Raise Our Profile and Yours

Take photos during the session and showcase your community work via social media and other company communications.

## JOIN US FOR A 'HANDS ON' VOLUNTEER EXPERIENCE

### Choose Your Day

We offer volunteer sessions on weekdays starting at around 8:00am. Sessions run for four hours, giving you a fulfilling half-day experience that easily fits into most workdays.

### Morning Tea Included

Each session includes a relaxed morning tea with our friendly volunteers and a chance to connect, share stories and learn about the impact your work is having on children's lives.

### Team Size

We can offer sessions for up to 10 people per day. For larger teams we recommend splitting your sessions over several days or call us to discuss.
